If there is any conflict between the terms of the Plan documents and this SMM, the terms of the Plan documents will govern. The company has reserved to the Plan Administrator the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan.

Below is a list of what's new and also helpful reminders regarding your CenturyLink benefits effective Jan. 1, 2020.

2020 Medical Plan Dependent Audit

As part of CenturyLink's ongoing efforts to ensure our Health Plan meets its own eligibility requirements, we will be conducting a dependent audit to validate whether your spouse/domestic partner or common law spouse remains eligible for coverage under your medical and/or dental plan benefit options.

Note: There are significant consequences for covering someone who isn't eligible such as an ex-spouse or ex-domestic partner, (even if you have a court order that indicates you must have health coverage for your ex-spouse or ex-domestic partner).

- » **Immediate termination of coverage due to ineligibility.** If your enrolled person is determined to be ineligible, they will be removed from medical and/or dental coverage, as applicable.
- » **What should you do now?** Confirm those already enrolled meet the Plan's definition of eligibility. If you have questions about eligibility, check the Summary Plan Description (SPD) at **centurylinkbenefits.com**, **centurylinkhealthandlife.com** or contact the Service Center. Remove any ineligible persons. Unless the removal from coverage is coincident with a Qualified Life Event, COBRA coverage is not available and won't be offered.
- » **Documents to validate eligibility.** For your spouse/domestic partner or common law spouse whom you wish to maintain enrolled in your medical and/or dental plan benefit option, you will be required to provide proof of eligibility such as your 2019 Federal Tax Return listing your dependent/s (first page only), proof of joint ownership that was issued within the last 6 months, for example, mortgage statements, joint credit card statements, joint bank statements or residential leasing agreement listing both parties' names as co-owners.

Note: Watch for additional information prior to the Dependent Audit period.

What's new for 2020 (cont.)

Supplemental Life Insurance

If you currently have Supplemental Life insurance, you will experience a rate increase. Please review your Enrollment Worksheet (EWS). If you want to cancel your supplemental life insurance for 2020, contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1. The effective date of the cancellation will be Jan. 1, 2020, as long as you cancel during the Annual Enrollment window. If you call in to change after the window closes, the effective date of the cancellation will be the first of the month following you notifying the Service Center by phone.

Enrollment reminders

Qualified Life Event (QLE)

If you experience a QLE such as marriage, death, divorce, adoption or birth, or losing other coverage, you must contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1 within 45 days of the event in order to change your coverage elections.

If you make changes during Annual Enrollment, your new coverage will begin on the first day of the new calendar year. (However, if enrolling in the UHC Group Medicare Advantage PPO Plan, enrollment and approval by UHC must occur prior to the month coverage is to be effective.)

Be sure to gather your dependents Social Security numbers and birthdates before you start the enrollment process, so you are prepared to enter them into the system or provide them to the representative. You will be required to go through the Dependent Verification process to validate the eligibility of your dependents.

Dependent Social Security numbers required

The Medicare Secondary Payer provisions of the Social Security Act require all employers provide eligibility data to the Centers for Medicare & Medicaid Services (CMS). This means the Plan must provide CMS with Social Security numbers of all covered retirees and dependents. If you have covered dependents whose Social Security numbers are not on file at the Service Center, please contact the Service Center to provide this information as soon as possible.

Medicare Part-B and/or Income-Related Monthly Adjustment Amount (IRMAA) reimbursement

If you are receiving Medicare Part B reimbursement, the same amount you received in 2019 will carry over to 2020.

If your Medicare Part B premium has changed, you will need to notify the Service Center by providing a copy of the letter from the Social Security Administration with your updated amount by March 31, 2020 for the updated reimbursement to be retroactive to Jan. 1, 2020. If your notification is received after March 31, 2020, the updated reimbursement amount will begin the first of the following month after the notification is

received. Notifications can be mailed or faxed to:

CenturyLink Service Center
PO Box 661068
Dallas, TX 75266-1068
Fax: 847-554-1333

UnitedHealthcare (UHC) Group Medicare Advantage Preferred Provider Option (PPO) Plan

If you are enrolled in the UHC Medicare Advantage PPO Plan and are receiving reimbursement for the Income-Related Monthly Adjustment Amount (IRMAA) related to Medicare Part D, the same amount you received in 2019 will carry over to 2020.

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount you are required to pay in addition to your monthly premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit.

If your Medicare Part D premium has changed or you are a new participant in this Plan, you will need to notify the Service Center by providing a copy of the letter from the Social Security Administration with your updated amount by March 31, 2020 for the updated reimbursement to be retroactive to Jan. 1, 2020. If your notification is received after March 31, 2020, the updated reimbursement amount will begin the first of the following month after the notification is received. Notifications can be mailed or faxed to:

CenturyLink Service Center

Medical and prescription drug overview

Your CenturyLink 2020 Annual Enrollment Worksheet will show the following four options:

1	<p>Point of Service (POS) Company Plan (the current CenturyLink medical plan option is available to both non-Medicare and Medicare eligible participants) referred to as “Retiree Health Care Commitment” or “Guaranteed Coverage”. Medicare Parts A and B are required.</p>
2	<p>UnitedHealthcare (UHC) Group Medicare Advantage PPO Plan (MA PPO plan) (option only for Medicare eligible participants)</p> <p>You can enroll on the Health and Life website, UPoint, or by calling the Service Center at 866-935-5011 or 800-729-7526, Option 2 and then Option 1.</p> <p>The MA PPO Plan is an individual plan with Medicare. If you and your dependent are enrolling in this Plan and one or both applications are denied by Medicare, you will both be placed into the “Retiree Health Care Commitment” or “Guaranteed Coverage” Plan.</p> <p>Medicare Parts A and B are required.</p> <p>Note: If you enroll in the MA PPO plan and it doesn’t work for you, CenturyLink will offer you and/or your Medicare eligible dependent a one-time opportunity to change back to the applicable company Plan, the “Retiree Health Care Commitment” or “Guaranteed Coverage” Plan. Contact the Service Center at 866-935-5011 or 800-729-7526, Option 2 and then Option 1 and your change will be effective the first of the following month.</p>
3	<p>Health Reimbursement Account (HRA) Plan Option (option only for Medicare eligible participants)</p> <p>No CenturyLink Medical/Prescription drug benefits provided. Instead, subsidy dollars will be placed in an account to reimburse you for Medicare policy premiums only.</p>
4	<p>Waived Coverage (no coverage) (for both Medicare eligible and non-Medicare eligible participants who do not want any CenturyLink medical coverage options or the HRA subsidy dollars)</p>

NOTE: If you enroll in number 3 from the plan options above and cancel that coverage during the Plan year, you will default to the No Coverage option for the remainder of the year, unless you experience a Qualified Life Event (QLE).

Medicare-Eligible and/or

Non-Medicare Eligible:

If you and your dependents are all Medicare eligible, you must enroll in the same CenturyLink benefit plan option. If you were enrolled in the MA PPO plan in 2019 and you are not changing benefit plan options, you will not be required to reenroll. If you are enrolling in an individual policy outside of CenturyLink for the HRA benefit option, you must complete that carrier’s enrollment form/process.

If you or one or more of your dependent(s) are NOT Medicare eligible yet, you can make separate elections for Medicare and non-Medicare eligible family members. The non-Medicare eligible person may remain in the CenturyLink Company plan option or No Coverage option, while the Medicare eligible person may select from one of the three Medical plan options.

NOTE: If the non-Medicare eligible family member becomes Medicare eligible during the plan year, that participant must enroll (and complete forms, if applicable) in the same CenturyLink benefit plan option that the Medicare eligible family member is already enrolled in.

Medicare Part B and/or IRMAA Reimbursement:

If you are currently receiving Medicare Part B reimbursement, your reimbursement will continue regardless of which benefit option you choose.

If you are enrolled in the UHC Medicare Advantage PPO Plan and are receiving reimbursement for the Income-Related Monthly Adjustment Amount (IRMAA) related to Medicare Part D, the same amount you received in 2019 will carry over to 2020.

If your Medicare Part-B or IRMAA Reimbursement has changed for 2020, please refer to Page 4 regarding Medicare Part-B and/or Income-Related Monthly Adjustment Amount (IRMAA) Reimbursement for further information.

About Medicare

Medicare health insurance is provided by the U.S. federal government. Generally, you become eligible for Medicare on the first of the month in which you turn age 65. You may be eligible for Medicare benefits at an earlier age if you have permanent kidney failure or certain disabilities. If you or your dependents are eligible for Medicare, or will be this year, please review the following information carefully. There are three parts to Medicare that apply to you.

Medicare Part A

Medicare Part A covers most inpatient hospital services, skilled nursing facility services, certain home health services and hospice care. Medicare does not cover 100% of these services so you would be responsible for the balance. Generally, it is available at no cost to you.

Medicare Part B

Medicare Part B covers doctor services, outpatient hospital services, certain home health services, medical equipment and supplies, and other health services and supplies. Medicare does not cover 100% of these services so you would be responsible for the balance.

If you are a ERO '92 Retiree, the CenturyLink Retiree and Inactive Health Plan will reimburse the premium you pay for this coverage for you and your dependents who are not Class II dependents.

NOTE: If you wish to opt-out or discontinue your Medicare Part-B reimbursement, please contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1.

Medicare Part D (Prescription Drug Coverage)

Medicare Part D covers the cost of certain prescription drugs for eligible seniors and individuals with disabilities. The cost of this coverage depends on the Medicare Part D plan you select. However, if you enroll in either the Guaranteed Coverage benefit option or enhanced MA PPO Plan, you do not need to enroll in Medicare Part D because prescription drug coverage is included in these benefit options, as defined by the Plan.

NOTE: If you elect the HRA benefit option, you may need to enroll in a Medicare Part D plan, depending on which type of individual Medicare medical plan/policy you elect on your own.

For more information about Medicare benefits, see the **Medicare & You handbook** at **medicare.gov** or call **800-MEDICARE (800-633-4227)** and ask to have a copy mailed to you.

TTY users should call **877-486-2048**.

CenturyLink company plan options

CenturyLink company plan option

(for non-Medicare and Medicare eligible participants)

The Plan benefit option below summarize your coverage available under the “Retiree Health Care Commitment” or “Guaranteed Coverage” benefit option.

Point of Service (POS)

Medical/Prescription drug coverage

The enhanced MA PPO Plan option includes benefits, programs and services to help you live a healthier life, such as:

- » You may receive services from any provider without coordinating your care through a primary care physician (PCP). The option pays greater benefits if you receive care from a network provider or facility.
- » If you receive covered services from a non-network provider, you may be responsible for paying a larger portion of the costs associated with those services.
- » Before receiving services from a non-network provider, contact the claims administrator to ask for the total out-of-pocket expenses associated with that service or treatment.
- » For covered services, such as surgery, office visits and others, you are responsible for paying a copay if you receive care from an in-network provider.
- » Prescription drug coverage is administered by OptumRx, a UnitedHealthcare Group company.
- » Talk to a nurse anytime day or night at **888-887-4112**, 24 hours a day, seven days a week to answer your non-emergency health care questions.

No-network medical/prescription drug coverage

- » If you live in an area where there is no UHC network of doctors, you may be eligible for the No-Network Plan benefit option administered by UHC. **This is not an option you can elect.**
- » Preventive care services (including routine physical exams) are covered at 100 percent with no deductible. For all other services, you will be responsible for paying a deductible before the Plan starts paying for services.
- » Prescription drug coverage is administered by OptumRx, a UnitedHealthcare Group company.
- » Discounts from network providers for certain services may be available to you. Contact your claims administrator.
- » You also share the cost of services by paying coinsurance when you receive care, up to an out-of-pocket maximum. The benefits you receive are based on “eligible expenses,” as determined by UHC; you are responsible for costs in excess of the eligible expenses.
- » If No-network coverage is your only medical/prescription drug benefit option, you may request to opt-in to the POS option if you can verify that there are UHC Choice Plus network providers in your area. Contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1 and request to opt-in to the POS benefit option.

Medicare-Eligible Participants Only

Additional health care benefit options

These are additional benefit options you can elect instead of coverage under the Guaranteed Coverage Commitment. Refer to the comparison charts on pages 8 and 9 for additional information.

UnitedHealthcare Group Medicare Advantage Preferred Provider Option (PPO) Plan

The enhanced MA PPO Plan option includes benefits, programs and services to help you live a healthier life, such as:

- » You can see any provider (in-network or out-of-network) that participates in Medicare and accepts the plan, at the same cost share.
- » 100% coverage for preventive services.
- » Care and disease management programs (diabetes, heart failure, etc.).
- » UnitedHealthcare® HouseCalls – designed to complement your doctor’s care. A licensed and knowledgeable health care practitioner will review your health history and current medications, perform a health screening, identify health risks and provide health education.
- » NurseLine – You’re never alone. Registered nurses answer your call 24 hours a day, seven days a week.
- » Silver Sneakers® – get access to exercise equipment, classes and more at 14,000+ fitness locations.

Contact UnitedHealthcare for additional information regarding these benefits, services and offerings at **877-886-7313**, TTY 711, 8:00 a.m.-8:00 p.m. Mountain time, seven days a week.

You can enroll on the Health and Life website, UPoint, or by calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1.

The MA PPO Plan is an individual plan with Medicare. If you and your dependent are enrolling in this Plan and one or both applications are denied by Medicare, you will both be placed into the Company Plan, the “Retiree Health Care Commitment or “Guaranteed Coverage” Plan.

If you were enrolled in the MA PPO plan in 2019 and you are not changing benefit plan options, you will not be required to reenroll.

NOTE: If you enroll in the MA PPO plan and it doesn’t work for you, CenturyLink will offer you and/or your Medicare eligible dependent a one-time opportunity to change

back to the Company Plan, the “Retiree Health Care commitment” or “Guaranteed Coverage” Plan. Contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1 and your change will be effective the first of the following month.

Health Reimbursement Account (HRA) combined with an individual policy

- » You are waiving coverage in CenturyLink group retiree medical plan benefits each year you elect this option.
- » The HRA provides you with Company-subsidized dollars to help you purchase the individual plans/policies that CenturyLink does not offer.
- » The HRA account is credited annually, on Jan. 1 of each year, by CenturyLink in the amount of \$3,800. Unused dollars are forfeited at the end of each year.
- » The HRA is part of the CenturyLink group retiree health plan, but the individual plan/policy you choose is not.
- » You purchase the individual Medicare and prescription drug policy directly from the insurance carrier(s) (“carrier”) of your choice—pay the insurance premium directly to them—and then receive reimbursement for the premium from your HRA.
- » In order for your individual Medicare medical policy to be effective Jan. 1, 2020, you must enroll with Medicare between Oct. 15 and Dec. 7, 2019. For assistance, call ViaBenefits at **888-825-4252**.

NOTE: If you and your Medicare eligible dependent select the HRA option and you later want to change options or return to the coverage you had under the Company Plan, “Retiree Health Care Commitment” or “Guaranteed Coverage” Plan, you will be required to wait until the next Annual Enrollment period due to CMS rules.

Dental overview / Retiree Life Insurance

Dental Plan Benefit Option

The Plan benefit option available to you is indicated on your **Annual Enrollment Worksheet**.

It pays to use network Dentists

You may receive services from any provider under your Plan benefit option, but your out-of-pocket costs may be less if you receive care from MetLife network providers (in the Preferred Dentist Program).

If you receive services from a non-network provider, your out-of-pocket costs may be more and you may need to complete and submit claim forms to receive benefit payments.

Here's a brief look at how the Dental Plan benefit option pays benefits.

Preventive and Diagnostic Care Services (cleanings, oral exams, x-rays)

The Plan pays 100% up to reasonable and customary (R&C) rates, but no more than what the dentist charges. If costs exceed R&C rates, you will be responsible for paying the excess charges.

All Other Services

You pay according to a schedule of allowances. Review the schedule of allowances in the applicable Summary Plan Description (SPD) to determine the out-of-pocket expenses you must pay. Call MetLife for details about covered services.

For questions or benefit information, visit the MetLife website at [metlife.com/mybenefits](https://www.metlife.com/mybenefits) or call **866-832-5756**.

Retiree Life Insurance

Retiree Basic Life Insurance (automatic and company-paid)

For eligible retirees, CenturyLink provides Retiree Basic Life Insurance coverage that pays a \$10,000 benefit to your designated beneficiary(ies) upon your death.

Retiree Supplemental Life Insurance (if applicable, you pay the cost)

If you elected Retiree Supplemental Life Insurance coverage prior to your retirement and continued it after your retirement, you may continue coverage to age 65, provided you pay your monthly premium contributions in a timely manner.

NOTE: Coverage ends on the last day of the month in which you turn age 65, but you can apply to convert your coverage to an individual policy. Contact MetLife for details.

If your coverage is terminated due to non-payment or insufficient payment, you will not be allowed to re-enroll. The Service Center will inform you of your right to appeal that determination.

REMEMBER: To report a death, contact the Service Center at **800-729-7526** and press option number 3. It is very important to contact the Service Center as soon as possible as this can impact benefits under the CenturyLink Retiree and Inactive Health Plan, the CenturyLink Life Insurance Plan and/or the CenturyLink Combined Pension Plan.

Retiree Life Insurance (cont.)

Important notes if you have retiree Supplemental Life Insurance

- » You may cancel or decrease coverage at any time by calling the Service Center. You may not enroll, re-enroll or increase coverage during your retirement.
- » You may convert your Retiree Supplemental Life coverage, if applicable, according to the laws of the state of Washington where the policy is issued. Conversion is not automatic, and you must apply for converted life insurance coverage through MetLife. You can reach MetLife at **877-275-6387** to request a conversion application if you experience a qualified loss in coverage. **MetLife must receive your completed application and premium for conversion within 31 days from the date your retiree supplemental life insurance coverage terminates.** Applications received by MetLife after the 31-day period will be denied.

Beneficiary Reminder

Please confirm that you have designated beneficiaries for all of your CenturyLink Life Insurance Plan coverage by going to **centurylinkhealthandlife.com** or calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1.

The Service Center is the recordkeeper of beneficiary designations.

Refer to the SPD for specific beneficiary information, including how benefits are paid if no beneficiary is living on the date of your death, or you have not elected a beneficiary.

Refer to the Helpful Resources section of this Guide for instructions on how to access SPDs and SMMs for

detailed information.

Paying for your coverage

CenturyLink makes it easy to pay for your supplemental life insurance benefits

Your 2019 benefit payment election will continue in 2020 unless you make a change, reach age 65, or pass away. If you do not have an automatic payment plan in place for your Supplemental Life Insurance premiums, then your premiums are due on the first day of each month for the current month's benefit coverage. You can contact the Service Center for payment options such as:

- » check or money order,
- » deductions from your pension check, or
- » direct debit (automatic monthly withdrawal from your checking or saving account).

Be sure to make timely payments!

If your premium payments are not received by the Service Center in a timely manner, your payment may still be processed due to the delay in updating records internally. In this case, you will receive a refund for the untimely payment and your coverage will not be reinstated, except as may be determined upon a written appeal made by you to the Plan.

Please note checks that are returned or direct debit requests that are refused due to insufficient funds are not re-deposited.

Regardless of how you pay your premiums, be sure that your full contribution is received by the Service Center by the last day of the month. If not, your coverage will be terminated retroactively to the last day of the prior month for which full payment was received.

Annual Enrollment begins Nov. 4 and ends on Nov. 22, 2019.

If you don't enroll, you will default to your current medical/prescription drug, dental and/or life insurance benefit options, if applicable, shown on your Enrollment Worksheet (EWS).

Important coverage rules

Adding dependents during enrollment

To cover newly eligible dependents during Annual Enrollment, **action is required.**

1. Add your newly eligible dependents during your online enrollment by following the prompts or by contacting the Service Center. A Dependent Verification packet will be sent to you automatically in December 2019. Follow the instructions outlined in the packet and respond by the deadline.
2. Plan coverage for your newly eligible dependents will become effective Jan. 1, 2020, with the following exception: If validation is required and verification forms are not received by the Service Center by the deadline, your dependents will be removed retroactively from coverage and you will be required to reimburse the Plan for any claims paid while the previously suspended dependents were ineligible under the Plan.

Ending coverage for dependents during Annual Enrollment

You may remove dependents from your Plan coverage during Annual Enrollment by following the prompts during your online enrollment or by contacting the Service Center. COBRA will not be offered for dependents removed during Annual Enrollment.

During the year, if dependents no longer meet eligibility requirements for coverage, you are required to contact the Service Center **within 45 days** to terminate their coverage. You must notify the Service Center, and coverage will end for the affected individuals retroactively to the end of the month that your dependent was no longer eligible for coverage. You will be responsible for any claims paid after eligibility ended.

If you have a Qualified Life Event and need to make changes before 2020

If you make changes during Annual Enrollment and have a subsequent change to your coverage before the end of December 2019 because of a QLE (for example, you add a spouse to your coverage), your 2019 changes/enrollment will not automatically be applied to 2020. **As a result, you will need to update BOTH your 2019 and 2020 coverage by contacting the Service Center.**

What happens to your benefits if you return to work directly for the company as an active employee or work for a supplier on assignment to the company after you retire or leave employment? If you are eligible for retiree health care or life insurance from the company, refer to the applicable section below to see how your retiree benefits may be impacted.

If you are rehired in a status that is eligible for active employee benefits, you will be offered the same benefits as other similarly situated CenturyLink employees based on your employee classification. If you have retiree supplemental life insurance coverage, you will be eligible to elect active supplemental life insurance coverage. If there is a loss of supplemental life coverage between what you previously had prior to your rehire date and the amount as an active employee, you may convert the difference with Metropolitan Life Insurance Company. If you continued supplemental life coverage through Metropolitan Life Insurance Company, you will be required to surrender this policy when you return to retiree status in order to resume your retiree supplemental life coverage, if applicable.

If you return to work for a supplier on assignment to the company, you are not eligible to continue your CenturyLink retiree health care benefits. This means that while you are working for the supplier, your retiree health care benefits will be suspended. However, you will be offered the opportunity to continue your retiree medical and/or dental options under COBRA. Your retiree basic and supplemental life coverage, if applicable, will continue under the terms of the CenturyLink Life Insurance Plan ("the Plan"). In addition, please be advised that as a worker for a supplier or company contractor, you are not eligible for CenturyLink active employee health care benefits. Retiree health care benefits are reinstated once your work with the supplier/contractor for the company has ended. You will need to call the Service Center to get your benefits reinstated.

Once your employment or assignment ends, you may resume your retiree health care, basic and supplemental life insurance coverage, if applicable, in accordance with the terms of the Plan by calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1. If you returned to work for a supplier on assignment to the company, CenturyLink will validate that your assignment has ended before you will be allowed to resume your retiree health care coverage.

This Is a Summary of Material Modifications (SMM)

This document is intended to serve as a Summary of Material Modifications (the "SMM") pursuant to the requirements of Section 104 of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). This SMM notifies you of certain changes to the CenturyLink sponsored Plans (the "Plan"). Please keep this SMM with your Summary Plan Description for the Plan for future reference. This document summarizes only certain provisions of the Plan. If there is any conflict between the terms of the Plan documents and this SMM, the terms of the Plan documents will govern. The company has reserved to the Plan Administrator the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan.

Coverage is not advice

Health Plan coverage is not health care advice. Please keep in mind that the sole purpose of the Plan is to provide payment for certain eligible health care expenses – not to guide or direct the course of treatment for any employee, inactive retiree or eligible dependent. If your health care provider recommends a course of treatment, be sure to check with the Plan to determine whether or not that course of treatment is covered under the Plan. However, only you and your health care provider can decide what the right health care decision is for you. Decisions by a claims administrator or the Plan Administrator are solely decisions with respect to Plan coverage and do not constitute health care recommendations or advice.

The company's reserved rights

This document summarizes certain provisions of the CenturyLink Disability Plan, the CenturyLink Life Insurance Plan and the CenturyLink Retiree and Inactive Health Plan (collectively referred to as the "Plan"). For specific employee benefit Plan information, refer to the respective official Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the official Plan Documents and this document, the terms of the official Plan Documents will govern. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan, to supply omissions and resolve conflicts. Benefits and contribution obligations, if any, are determined by CenturyLink in its sole discretion or by collective bargaining, if applicable.

NOTE: While the Plan has processes in place to prevent errors and mistakes, if a clerical error or mistake happens (however occurring) such error or mistake does not create a right to a Benefit or level of contribution rate

under the Plan. You have an obligation to correct any errors or omissions that come to your attention by calling the Service Center to correct the error or omission.

Right to Amend and/or discontinue and make rules

The company and its delegate, the CenturyLink Plan Design Committee, each has reserved the right in its sole discretion, to change, modify, discontinue or terminate the Plan and/ or any of the benefits under the Plan and/or contribution levels, with respect to all participants classes, retired or otherwise, and their beneficiaries at any time without prior notice or consultation, subject to applicable law, specific written agreement and the terms of the Plan Document and with respect to the Health Plan, the written agreement specific to ERO '92 Retirees and Qwest ERO '92 Retirees. The CenturyLink Employee Benefits Committee, as the Plan Administrator, may adopt, at any time, rules and procedures that it determines to be necessary or desirable with respect to the operation of the Plan. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plans or any document relating to the Plans.

Notice of "Exempt" Retiree Medical Plan status

The CenturyLink Retiree and Inactive Health Plan, and all of its benefit options meet the requirements of a stand-alone exempt retiree medical benefit plan under Section 732 of ERISA and, therefore, is not required to comply with benefit mandates of the Patient Protection and Affordable Care Act (PPACA). However, CenturyLink has decided to voluntarily apply certain provisions of the PPACA to these benefit options. This voluntary application of certain PPACA provisions is separate from and not part of the health care commitment to the Qwest Pre-1991 and Qwest ERO '92 Retiree populations. This means that for all retirees, this voluntary compliance with

Legal and Important Required Notices (cont.)

PPACA may be changed or ended at any time and does not waive the Plan's status as "exempt" from PPACA. If you choose to participate in the new Medicare Advantage PPO or HRA, the policy you elect is an individual policy.

Important note regarding your Annual Enrollment elections

By electing to participate in the Plans (the CenturyLink Disability Plan, the CenturyLink Life Insurance Plan and the CenturyLink Retiree and Inactive Health Plan), by your submission of information, you have agreed to be bound to and by the provisions of each of the Plans and their administrative practices, including, but not limited to with respect to the recovery of over and underpayments, terms and conditions for eligibility and Benefits. **You certify that the submission of information by you in this enrollment process is true and accurate to the best of your knowledge, unless you submit changes as instructed; you agree that you'll submit new information timely as changes occur. You understand that if you are found to have falsified any document in support of a claim for eligibility or reimbursement, the Plan Administrator may, subject to and as may be permitted under the requirements of law, without anyone's consent, terminate your and/or your dependent(s') coverage, and the Claims Administrator may refuse to honor any claim you or your dependent(s) may have made or will make under the Plans if applicable. You understand that you are liable and bear the full financial responsibility for the misappropriation of Plan funds through the filing of false documentation under any of the Plans; you certify that you or your dependent(s) are eligible to enroll in a benefit option, including voluntary or supplemental coverages.** Please refer to the applicable Plan document or SPD for details about eligibility for coverage or call the Claims Administrator – limitations may apply including, but not limited to, being actively at work in order to be eligible

for coverage. You understand that it is your responsibility to confirm your eligibility to enroll in a benefit option, including voluntary or supplemental coverages; enrolling in and paying for coverage for which you are ineligible will not entitle you to Benefits; you understand that it is your responsibility to terminate benefit coverage once you or your dependent(s) become ineligible, for example, divorce, death, etc.

For specific employee benefit plan information, including terms and conditions for eligibility, limitations and Benefits refer to the respective Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the Plan Documents and this correspondence, the terms of the Plan Documents will govern.

Health Insurance Portability and Accountability Act (HIPAA)

Under the Special Enrollment rules under HIPAA, you may enroll yourself and eligible dependents in the Health Plan upon the loss of other coverage, referred to as the "other plan," to include the following:

- » Termination of employer contribution toward other coverage;

partner loses coverage under his/her employer's plan and has special enrollment rights, both you and your spouse/domestic partner may enroll in any of the CenturyLink benefit options available to you, provided you verify your spouse's/domestic partner's eligibility for the Plan.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

NOTE: This is an updated notice.

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS-NOW** or **insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage**

within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call **1-866-444-EBSA(3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility.

Legal and Important Required Notices (cont.)

If You Voluntarily Elect to Drop Coverage

If you voluntarily drop coverage for yourself or a dependent during Annual Enrollment, without there being a Qualified Life Event (QLE), you and/or your dependent will not be eligible for continuation of health care coverage under the federal law known as COBRA. Eligibility for COBRA continuation coverage occurs only in cases of QLEs. For more information on what is a QLE, refer to the Summary Plan Description.

Continuation of Coverage

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, COBRA qualified beneficiaries (QBs) generally are eligible for group coverage during a maximum of 18 months for qualifying events such as marriage, divorce, etc. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

Upon termination, or other COBRA qualifying event, the former participant and any other QBs will receive COBRA enrollment information.

Qualifying events for spouses/ domestic partners or dependent children include those events above, plus, the covered employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, death of the covered employee, and the loss of dependent status under the plan rules. If a QB chooses to continue group benefits under COBRA, they must timely enroll and make their premium payment by the due date. Then, coverage will be reinstated. Thereafter, premiums are due on the first of the month. If premium payments are not received in a timely manner, federal law stipulates that your coverage will be canceled after a 30-day grace period. If you have any questions about COBRA or the Plan, please contact the Service Center at **866-**

935-5011 or **800-729-7526**, Option 2 and then Option 1.

Other coverage options

There may be other, more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period," even if the plan generally doesn't accept late enrollees. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA doesn't limit your eligibility for coverage for a tax credit through the Marketplace.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage, you may pay more out of pocket than you would under COBRA, because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.

More information on health insurance options through the Marketplace can be found at **healthcare.gov**.
