This SMM notifies you of certain changes to the CenturyLink sponsored Plans (collectively, the "Plan"). 	Dependent Audit		
2020 Medical Plan Dependent Audit	As part of CenturyLink's ongoing efforts to ensure our Health Plan meets its own eligibility requirements, we will be conduct- ing a dependent audit to validate whether your spouse/domes- tic partner or common law spouse remains eligible for coverage under your medical, dental and/or vision plan benefit option. Note: There are significant consequences for covering some- one who isn't eligible such as an ex-spouse or ex-domestic partner (even if you have a court order that indicates you must maintain health coverage for your ex-spouse or ex-domestic partner). Immediate Termination of Coverage due to Ineligibility. If your enrolled person is determined to be ineligible, they will be removed from medical, dental and/or vision cover- age, as applicable. There are also tax consequences; for example, if a person was identified as a "spouse" now, but is later determined to be a "former spouse", they are not eligible for coverage under the Plan and must be removed. If the "former spouse" also has covered children (the Par- ticipant's step-children) under the Plan, the step children will also be removed from the Plan. Documents to Validate Eligibility. For your spouse/domestic partner or common law spouse whom you wish to maintain as enrolled in your medical, dental and/or vision plan benefit option, you will be required to provide proof of eligibility such as your 2019 Federal Tax Return listing your dependent/s (first page only), proof of joint ownership that was issued within the last 6 months, for example, mortgage statements, joint credit card statements, joint bank statements or residential leasing agreement listing both parties' names as co-owners.	What Should You Do NOW? Only enroll eligible dependents in this Annual Enrollment and confirm those already enrolled meet the Plan's definition of eligibility. If you have questions about eligibility, check the Summary Plan Description or contact the Service Center. Remove any ineligible persons. Unless the removal from coverage is coincident with a Qualified Life Event (QLE) COBRA coverage is not available and will <u>not</u> be offered. Watch for additional information prior to the Dependent Audit period.	
	Benefit Premium Deductions		
Tobacco-Free Discount	CenturyLink offers a tobacco-free discount on the cost of your medical plan option premium deduction. The discount is calculated on the total cost of coverage, not the actual premium deduction.	No action required unless a change has occurred, e.g., have you or your covered dependent/s started smoking, vaping, chewing or are you and your covered dependents tobacco-free? If you do not make any changes, your current enrollment election will continue, if applicable. To avoid paying higher premiums for tobacco use, CenturyLink offers the Quit for Life to- bacco cessation program to employees and eligible dependents at no cost.	
Working Spouse/Do- mestic Partner Sur- charge	If your working spouse/domestic partner is eligible for an employer's medical plan and they waive their coverage, but you elect to cover him/her on your CenturyLink medical plan option, a \$100 per pay period surcharge will apply.	If you are not sure how to answer the surcharge question, contact the Service Center for further assistance to ensure that you answer the question correctly. No action is required unless a change has occurred. If you do not make any changes, your current sur- charge enrollment election will contin- ue, if applicable.

	 NEW - Bind On-Demand Bind On-Demand is made simple designed to give you more control of your cost and coverage. 	
	The Bind On-Demand plan option has a \$0 deductible and straightforward menu-based costs across treatment categories: emergency care, maternity, prescription drugs, preventive, primary care, virtual visit, etc. Like other useful services of our daily lives, the user-friendly Bind On-Demand mobile App and web experience can provide you with instant answers on what's covered and what things cost, so you can know before you step foot in a doctor's office.	
	Coverage Flexibility With Bind On-Demand, you have the flexibility to purchase Add- in coverage for a small set of procedures you can plan for, like knee replacement or foot bone fusion. 	Helpful Support With Bind On-Demand, you have access to one of the largest in-network doctors, clinics and hospitals. You also have access to a supportive Help Team and online tools that provide instant answers to coverage questions, cost and treatment compari- sons, help finding the doctors and clinics you need and answers to any plan questions you may have. Back-to-Basics Program - No Cost Coverage (For those enrolled in United- Healthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)). In- and Out-of-Network Providers (For those enrolled in United- Healthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)).	You will now have a separate deductible and out-of-pocket maxi- mum when using either an In-Network or Out-of-Network provid- er; it will no longer be a combined amount. For example, if your dermatologist is out-of-network, the amount you're responsible for will only apply to your out-of-network deductible and out-of pocket maximum. This amount will not apply to your in-network deductible and in-network out-of-pocket limits.	Visit myuhc.com or call UnitedHealthcare at the number on the back of your medical ID card.

Benefit Plan Option/Program	2020 Benefit Information	Do I need to take action? Where can I find more details?
Out-of-Network Coin- surance and Coverage (For those enrolled in UnitedHealthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)).	The coinsurance for ALL out-of-network reimbursement is changing from 60% (you pay 40%) to 50% (you pay 50%). You will pay more when you use an out-of-network provider. Out-of- network providers set their own rates and may bill you for the difference between their rates and what the Plan pays based on eligible rates. This is called above "reasonable and customary charges", ("R&C"). If you receive a bill for this difference, you are responsible for the cost and it will not apply to your out-of- pocket limit. Before getting care with any of your existing providers or new providers, make sure they are in-network by contacting the provider before your visit. This includes any ambulance transfer services, doctors, hospitals, lab facilities, and outpatient ser- vices such as pain injections. Before you get care, use the cost estimator tool at myuhc.com or the UnitedHealthcare mobile app to estimate costs on more than 500 services and procedures. Note: If a provider says they'll accept your insurance plan, this doesn't always mean they're in-network. To get the most out of your plan coverage (and pay less), make sure to ask the provid- er ahead of time, "Are you in-network with UnitedHealthcare?"	 Need help finding an in-network provider? » Visit myuhc.com and click "Find a Doctor". » Download the free UnitedHealthcare mobile app. » Call UnitedHealthcare at the number on the back of your medical ID card Monday through Friday, 8 a.m. to 8 p.m. in your time zone.
Out-Of Network Outpa- tient Surgery (For those enrolled in United- Healthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)).	Out-of-network outpatient surgery is not covered by the Plan. You will be responsible for all associated costs.	Call UnitedHealthcare at the number on the back of your medical ID card Mon- day through Friday, 8 a.m. to 8 p.m. in your time zone.

Benefit Plan Option/Program	2020 Benefit Information	Do I need to take action? Where can I find more details?
Emergency Room - Non-Emergency (For those enrolled in United- Healthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)).	1) When you use the Emergency Room for non-life-threatening services you will pay more for the visit. If your visit is deemed non-emergent (non-life threatening), the coinsurance plan will only pay 50% of the cost after the annual deductible is met. You will be responsible for meeting your annual deductible and the remaining 50%. This includes both in-network and out-of- network providers.	Visit myuhc.com or call UnitedHealthcare at the number on the back of your medical ID card.
	Here are some examples of when to go to the emergency room: chest pain, difficulty breathing, heavy bleeding, large open wounds, major broken bones, major burns, severe head injury, spinal injuries, sudden change in vision or sudden weakness or trouble talking.	
	Here are some examples of services that are generally deemed not to be a true emergency: ear infection, minor infections, rash- es, small cuts, sore throat, sprains or strains.	
	2) A \$300 penalty will be charged on your fourth and any subse- quent ER visits within the calendar year for each covered family member. The \$300 penalty will not apply towards your annual deductible or out-of-pocket maximums and will not apply if you are admitted to the hospital. The penalty will only apply to par- ticipants over the age of 18 and doesn't apply to children under the age of 18. And, the penalty will not apply if the participant is admitted to the hospital.	
	Note: This penalty resets every calendar year. The penalty will be waived if you contactUHC at the number on the back of your medical ID card within seven days from the ER visit.	
Virtual Telehealth (For those enrolled in United- Healthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP) and those en- rolled in the Bind On-De- mand plan option)).	UnitedHealthcare members can now take advantage of a Virtual Visit experience using myuhc.com or the UnitedHealthcare app. With Virtual Visits, employees and covered family members can see and speak to a doctor anywhere, anytime on a mobile app or computer. No appointment is necessary — and a Virtual Visit usually takes less than 20 minutes. Doctors are able to diagnose a wide range of nonemergency medical conditions and prescribe medications. If needed, a prescription can be sent to your local pharmacy. Virtual Visit until deductible is met. Each Virtual Visit cost is generally less than \$50. Once deductible is met, you pay your coinsurance. Once out-of-pocket limit is met, you pay \$0. The UHC Virtual Visits provider groups are aligned with American Medical Association (AMA) and Federation of State Medical Boards (FSMB) guidelines. Contracted provider groups are currently operating in all 50 states and the District of Columbia and include AmWell, Doctors on Demand and Teladoc. Newborn Deductible (For those enrolled in UnitedHealthcare plan options (Savings HDHP, Standard CDHP or the Premium CDHP)).	If you are expecting a new baby, the Annual Medical Deductible will now apply to all newborn claims regardless if the length of stay in the hospital is the same as the mother's length of stay. Both the baby and the mother will have a separate deductible for all charges. As a reminder, dependent delivery charges are not covered except where required by state law. Refer to the Summary Plan Description (SPD) for more details.	Visit myuhc.com or call UnitedHealthcare at the number on the back of your medical ID card.

Zip Code	Medical networks are determined by ZIP code area, and those ZIP codes are reviewed each Annual Enrollment as providers come in- and out-of- network.	Review your available benefit plan options on the Health and Life website.
Dependent Eligibility	Adding a dependent to one or more of your plans.	You will need your dependents' Social Security Number and birthdates before you begin enrollment. Health Reim- bursement Account	If you were in enrolled in one of the CDHP's in 2019 and you remain enrolled in one of the CDHP's or Bind On-Demand for 2020, any remaining CDHP Heath Reimbursement Account (HRA) funds from the prior year will be available after 90 days, on April 15th, 2020. The 90 days allow enough time for prior year claims to process.	If you have questions, contact the number on the back of your medical id card.
Health Sav- ings Account (HSA)	You have the option each Annual Enrollment to elect to participate in a Health Savings Account (HSA) when enrolled/enrolling in a HDHP medical option. \$3,550 for Single and \$7,100 for Single + One or more. You cannot elect an HSA through the Service Center, you would need to enroll in an HSA on your own.

Medical and prescription drug - HDHP

Savings High Deductible Health Plan (Savings HDHP) option

The Savings HDHP is similar to the Standard and Premium CDHP but has important differences. The Savings HDHP option premiums typically cost less than the Standard or Premium CDHP option, but it has a higher deductible with no HRA dollars. The key feature of this Plan is that you have the option of opening a personal tax-advantaged Health Savings Account (HSA) to save your own money and pay for your qualified medical expenses now and in the future.

Note: You cannot elect an HSA through the Service Center, you would need to enroll in an HSA on your own.

Or, you can save the money for future needs. It's your money, your account, your choice.

The Savings HDHP is administered by UnitedHealthcare. You have the freedom to choose your healthcare providers, but the Plan pays greater benefits when you use providers that are in the network. Refer to the What's Changing section of this guide for additional information regarding out-of-network providers and out-of-network coinsurance coverage.

Here's how it works

You incur eligible medical and prescription expenses.

You pay the full cost of eligible medical and prescription expenses until you meet a deductible (your Responsibility.)

Preventive services are covered at 100% - with no deductible - when you use network providers.

You can choose to pay for covered expenses with your own money (cash, check, credit or debit card).

OR

You can pay for covered services with money you have set aside in your HSA.

3

After you reach the Single or Family deductible (as applicable), the Plan pays a percentage of the cost of covered services up to the out-of-pocket maximum.

After you reach the Single or Family out-of-pocket maximum (as applicable), the Plan pays 100% of covered services for the remainder of the calendar year for all covered plan participants.

Note: If you elect the HDHP for 2020 and were in enrolled in the CDHP plan in 2019, any remaining CDHP Heath Reimbursement Account (HRA) funds from the prior year will become available to you after 90 days, on April 15th, 2020. The 90 days allow enough time for prior year claims to process.

Do not use your Health Care Savings Card for the roll-over amount, download a claim form from, or send electronically through, **myuhc.com**.

Medical and prescription drug - CDHP

Consumer Driven Health Plans (CDHPs)

The CDHP options let you play a larger role in how your health care dollars are spent by using a health reimbursement account (HRA) funded by the Company.

Note: The HRA, Participant Responsibility (your out-of-pocket portion of the deductible) and out-of-pocket maximum are all based on the coverage level you elect (Single Only, Single + Family, etc.) under the medical Plan option you choose, even if only one covered person uses the entire HRA benefit.

Medical and prescription drug overview

Prescription drug expenses are paid the same as any other medical expense. You will be responsible for the cost of the prescription drugs until you have met or satisfied the deductible under the Standard or Premium CDHP or the Savings HDHP. Any maintenance prescription, after two (2) retail fills, will require future fills through the mail order program through OptumRx. There is only one prescription drug plan, OptumRx, available for enrollment in the Savings HDHP, Standard CDHP or Premium CDHP. "Charges above the allowable amounts not included" refers to reasonable and customary (R&C) charges. Refer to the Summary Plan Description for information on what's not covered or excluded. This chart is only a snapshot summary of your benefits. For specific details on how services are covered or excluded, please contact UnitedHealthcare at the number on the back of your ID card.

Note: Out-of-Network coverage is available. Visit centurylink.com/choosebind or contact the Bind On-Demand Help Team at **833-576-6519** for additional information related to out-of-network coverage.

Bind On-Demand Plan

With Bind On-Demand, you have the flexibility to purchase Add-in coverage for a set of procedures you can plan for. Generally, these procedures are needed infrequently by most people during the year, and the premise of the Bind On-Demand plan design is that you keep more of your money without carrying coverage for things you won't use. But, if you do end up needing this coverage*, you can still Add-in coverage for these specific procedures during the year if and when you do. It's simple—keep the coverage out unless you need it. Add it in when you do.

*If you need any of these procedures due to an emergency, you do not need to purchase additional coverage. If you need any of these procedures on a non-emergency basis, the amount you pay to the in-network facility for the procedure will count toward your out-of-pocket maximum. Add-in coverage must be purchased three days prior to the procedure. The additional premium you pay is on an after-tax basis.

What does this coverage cost? You would pay \$0-\$2,500* directly to the in-network facility for the procedure, plus \$50-\$200* through direct bill for 6 months to 1 year on an after tax basis.

Coverage Is Not Advice

Health Plan coverage is not health care advice. Please keep in mind that the sole purpose of the Plan is to provide payment for certain eligible health care expenses - not to guide or direct the course of treatment for any employee, inactive retiree or eligible dependent. If your health care provider recommends a course of treatment, be sure to check with the Plan to determine whether or not that course of treatment is covered under the Plan. However, only you and your health care provider can decide what the right health care decision is for you. Decisions by a claims administrator or the Plan Administrator are solely decisions with respect to Plan coverage and do not constitute health care recommendations or advice.

Right to Amend and/or Discontinue The company and its delegate, the CenturyLink Plan Design Committee, each has reserved the right in its sole discretion, to change, modify, discontinue or terminate the Plan and/or any of the benefits under the Plan and/or contribution levels, with respect to all participants classes, retired or otherwise, and their beneficiaries at any time without prior notice or consultation, subject to applicable law, specific written agreement and the terms of the Plan Document. The CenturyLink Employee Benefits Committee, as the Plan Administrator, may adopt, at any time, rules and procedures that it determines to be necessary or desirable with respect to the operation of the Plan. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plans or any document relating to the Plans.

Company's Reserved Rights

This document summarizes certain provisions of the CenturyLink Health Care Plan, the CenturyLink Life Insurance Plan and the CenturyLink Disability Plan (collectively referred to as the "Plan"). For specific employee benefit Plan information, refer to the respective official Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the official Plan Documents and this document, the terms of the official Plan Documents will govern. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan, to supply omissions and resolve conflicts. Benefits and contribution obligations, if any, are determined by CenturyLink in its sole discretion or by collective bargaining, if applicable.

NOTE: While the Plan has processes in place to prevent errors and mistakes, if a clerical error or mistake happens (however occurring) such error or mistake does not create a right to a Benefit or level of contribution rate under the Plan. You have an obligation to correct any errors or omissions that come to your attention by calling the Service Center to correct the error or omission.

You understand that it is your responsibility to confirm your eligibility to enroll in a benefit option, including voluntary or supplemental coverages; enrolling in and paying for coverage for which

you are ineligible will not entitle you to Benefits; you understand that it is your responsibility to terminate benefit coverage once you or your dependent(s) become ineligible, such as when a dependent is no longer eligible for coverage. This excludes dependents who turn age 26, as they are automatically removed from coverage.

Women's Health and Cancer Rights Act

This notice is provided to you in compliance with the federal law entitled the Women's Health and Cancer Rights Act of 1998 (the "Act"). The Plan provides medical and surgical benefits in connection with a mastectomy. In accordance with the requirements of the Act, the Plan also provides benefits for certain reconstructive surgery.

In particular, the Plan will provide, to an eligible participant who is receiving (or who presents a claim to receive) benefits in connection with a mastectomy and who elects breast reconstruction in connection with such mastectomy, coverage for: (1) reconstruction of the breast on which the mastectomy has been performed; (2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and (3) prostheses and treatment of physical complications associated with all the stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.

You should carefully review the provisions of the Plan, the medical benefit option in which you elect to participate, and its SPD and SMM (if any) regarding any applicable restrictions. Contact the Claims Administrator of your medical benefit option for more information.

Health Insurance Portability and Accountability Act (HIPAA)

Under the Special Enrollment rules under HIPAA, you may enroll yourself and eligible dependents in the Health Plan upon the loss of other coverage, referred to as the "other plan," to include the following:

- » Termination of employer contribution toward other coverage;
- Moving out of a service area if the other plan does not offer other coverage;
- » Ceasing to be a dependent, as defined in the other plan;
- » Loss of coverage to a class of similarly situated individuals under the other plan (for example, when the other plan does not cover temporary/contractors).

If your spouse/domestic partner or other dependents have special enrollment rights, you may enroll and make changes to your enrollment in any health plan benefit option available to you based upon your home ZIP code and plan service areas within 45 days following the qualifying event. For example, if you have Employee Only coverage in a CenturyLink benefit option, and your spouse/ domestic partner loses coverage under his/ her employer's plan and has special enrollment rights, both you and your spouse/domestic partner may enroll in any of the CenturyLink benefit options available to you, provided you verify your spouse's/domestic partner's eligibility for the Plan.

If You Voluntarily Elect to Drop Coverage

If you voluntarily drop coverage for yourself or a dependent during Annual Enrollment, without there being a Qualified Life Event (QLE), you and/ or your dependent will not be eligible for continuation of health care coverage under the federal law known as COBRA. Eligibility for COBRA continuation coverage occurs only in cases of QLEs. For more information on what is a QLE, refer to the Summary Plan Description

Continuation of Coverage

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, COBRA qualified beneficiaries (QBs) generally are eligible for group coverage during a maximum of 18 months for qualifying events due to employment termination or reduction of hours of employment. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. Upon termination, or other COBRA qualifying event, the former employee and any other QBs will receive COBRA enrollment information. Qualifying events for employees include voluntary/involuntary termination of employment, and the reduction in the number of hours of employment. Qualifying events for spouses/domestic partners or dependent children include those events above, plus, the covered employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, death of the covered employee, and the loss of dependent status under the plan rules. If a QB chooses to continue group benefits under COBRA, they must timely enroll and make their premium payment by the due date. Upon receipt of premium payment, the coverage will be reinstated. Thereafter, premiums are due on the first of the month. If premium payments are not received in a timely manner, federal law stipulates that your coverage will be canceled after a 30-day grace period. If you

have any questions about COBRA or the Plan, please contact the Service Center at **866-935-5011 or 800-729-7526, Option 1 and then Option 1.**

Other Coverage Options

There may be other, more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period," even if the plan generally doesn't accept late enrollees. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA doesn't limit your eligibility for coverage for a tax credit through the Marketplace.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage, you may pay more out of pocket than you would under COBRA, because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.
