IRS limits for Annual Health Savings Account (HSA) contributions*

*To contribute to an HSA, you must be enrolled in the Savings HDHP medical option. You may choose to establish an HSA with any financial institution. Single coverage increases from $3,550 to **$3,600** and Single + One or more increases from $7,100 to **$7,200**. The catch-up contribution for age 55 and older remains $1,000 annually.

Enrollment Reminders

Deductibles and Co-Insurance Accumulators reset on Jan. 1

If you elect to move from the CDHP plan to the HDHP or Bind plan option, any Health Reimbursement Account (HRA) dollars will be transferred to your post-deductible HRA after a run-out period of **90** days.

If you enroll as a dependent under your spouse's group plan, any HRA dollars will be moved after a run-out period of **90** days.

It will be necessary for you to contact the Advocacy Services team at the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and Option 1 to assist you with the transfer process. The Advocacy Services team will work with UnitedHealthcare or Bind On-Demand to have the HRA dollars moved to the applicable plan option after the 90-day run-out period.

Medical and Dental Company Cap

Medical and Dental Premiums

Review your Enrollment Worksheet (EWS) as your premiums may have changed for 2021.

Retirees are responsible for the portion of the cost of medical premium that exceeds the monthly company contribution Cap, as applicable ("Cap"). Be sure to review your medical plan options and premium costs carefully. The Retiree & Inactive Health Plan includes a Cap on the dollar amount of the premium subsidy provided by the Company. Cap amounts vary depending on your legacy company and whether you are enrolling only yourself or any eligible dependents in your coverage. Once the cost of health care coverage exceeds the specified Cap amount, you must pay the entire remaining balance above the Cap amount in addition to your required percentage.

Reminder: Your contribution is capped at the 2020 amounts and will not increase in the future. Visit the Health and Life website at lumen.com/healthbenefits for more information.

Pharmacy

The Prescription Drug List (PDL) is updated periodically throughout the year.

Depending on the anticipated prescription drug costs you might incur during a plan year, this may have an impact on which medical plan option you choose. You can use the below tools to estimate your costs.

Bind Medical Option:

Bind provides medications with a copay instead of charging a deductible and coinsurance dependent on the type and tier of the medication. Bind does not have a deductible and, therefore, starts helping you pay for your prescriptions on the first fill. With Bind, all prescriptions have a set price. You can calculate the price of your upcoming prescriptions or the total of what you may fill throughout the course of the year.

For those not enrolled in Bind, visit **lumen.com/choosebind** to check your pharmacy coverage, estimate costs and obtain further information. For those currently enrolled in Bind, visit **mybind.com** if you enroll in Bind.

UnitedHealthcare Options:

To reduce costs and make filling medications more convenient, maintenance medications for conditions such as diabetes, cholesterol and high blood pressure must be filled by mail order. You can fill your prescription up to a maximum of 2 times at a retail pharmacy. After that, the prescription will not be covered, and you will pay the full retail price.

If you are currently enrolled in a UHC medical plan option, you can refer to the pricing tool on **myuhc.com**.

For those not enrolled in a UHC medical plan option and would like an estimate of your prescription costs, visit OptumRx.

Note: Whichever medical plan option you choose, you cannot opt-out of the prescription drug benefit, including mail order (UHC only). The Plan Administrator for prescription drug benefits is OptumRx.

Zip code update

Medical provider networks are determined by ZIP code area, and those ZIP codes are reviewed each Annual Enrollment as providers go in- and out-of-network.

Be sure to review the medical benefit option available to you as options may change (based on your address on file).

Medical and Prescription Drug Overview - Bind Medical Plan Option

This chart is only a snapshot summary of Bind benefits. For specific details on how services are covered or excluded, please contact Bind or refer to the Summary Plan Description available on the Health and Life website or by requesting a copy through the Service Center.

Clear prices. No deductible or coinsurance.

Bind is health coverage designed like the other useful services of our daily lives. Choices and costs are clear—designed to be easy to understand. And you have personal control over how your benefit works for you.

Fewer barriers

With the Bind Option, there is no deductible and you don't chip away at anything before your plan starts to pay benefits. Without a deductible, the plan starts paying whenever you use it.

An easy, intuitive experience

The MyBind app and website were built to answer your coverage and cost questions with clarity and ease. Like the other useful services in our daily lives, the MyBind app shows your full cost of a visit before you see the doctor.

Opportunities to save

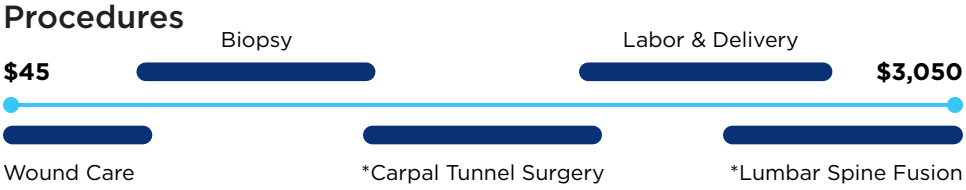
When and where you look for services, we let you know when lower-cost options are around the corner or across town. And you can easily compare provider quality ratings for many providers.

How Bind prices work

Bind provides you with simple, straightforward prices that vary by provider. That means you can know what it's going to cost before you enter the doctor's office. If that sounds different, well, it is—and it's a powerful way to make health care choices.

Some tips:

- People can easily compare provider quality ratings for many providers. And they can map-view prices of lower-cost pharmacies across the street or across town.
- When a price says $0, that means no additional out-of-pocket cost to you.
- Treatment prices include all the services needed to complete the treatment.
- A subset of 45 plannable treatments few people need can be activated during the year--if you need it. Inactive coverage must be activated at least three business days prior to the covered procedure. The additional paycheck deductions for the activated coverage will not count toward the out-of-pocket maximum.



*Indicates coverage that requires activation, the price noted above does not include associated premium deductions or billing.

Those who will become Medicare eligible

Options outside of the Company

- Your group health care coverage ends the first day of the month in which you or your dependent become eligible for Medicare.
- You can purchase any individual Medicare Supplement, Medicare Advantage and/or Medicare Prescription Drug Policy available to you. These policies are not associated with the Company.
- Group dental coverage continues to be offered under the Retiree Plan.
- If you have access to other coverage, such as through another employer or your spouse's/domestic partner's employer plan, you may want to defer Step 1 and Step 2 (listed below).

If you are eligible for a Company Subsidy

When your Non-Medicare Company medical group plan options end, we will fund an HRA with company subsidy dollars (subject to the Company Cap) that help pay for your individual Medicare medical policy and dental premiums. Your HRA dollars will not roll over, and any remaining balance at the end of the year will be forfeited. Your annual Company-funded medical HRA amounts are capped and remain the same for 2021, and will not increase in the future.

It is your responsibility to notify the Service Center if you or your dependents become Medicare eligible prior to age 65 (for example, if disabled). If you don't advise the Service Center when you become Medicare eligible due to a disability, Medicare may assess penalties to you or you may experience a gap in your coverage.

To continue benefits once you become Medicare eligible and avoid a gap between your group and individual coverage, Here's what to do:

Step 1
Enroll in Medicare Part A & Part B
Step 2
Enroll in an individual Medicare policy prior to the month you become Medicare eligible
Step 3

Let ViaBenefits Help You Enroll

- You will receive a letter from the Service Center regarding enrollment in a Medicare policy approximately 120 days prior to you or your dependent's 65th birth date
- ViaBenefits will contact you approximately 90-120 days prior to the month you turn age 65
- You can contact ViaBenefits, within 90 days of your Medicare enrollment deadline, at **888-825-4252** to help you select a medical and/or prescription drug policy.

Note: You are not obligated to enroll in a Medicare policy through ViaBenefits.

Paying for Your Coverage

We make it easy to pay for your Retiree Benefits

Your 2020 benefit payment will continue in 2021 unless you make a change , reach the maximum age limit, or pass away. If you do not have an automatic payment plan in place for your health and/or life insurance premiums, then your premiums are due on the first day of each month for the current month's benefit coverage. You can contact the Service Center for payment options, such as:

- check or money order,
- deductions from your pension check,
- direct debit (automatic monthly withdrawal from your checking or saving account), or
- a reimbursement account, if applicable.

Be Sure to make timely payments

If your premium payments are not received by the Service Center in a timely manner, the payments may be processed due to the delay in updating records internally. In this case, you will receive a refund within 21 days for the untimely payment and your coverage will not be reinstated. You have the right to appeal and can contact the Service Center if you wish to discuss the appeals process.

Please note that checks that are returned or direct debit requests that are refused due to insufficient funds are not re-deposited.

Regardless of how you pay your premiums, be sure that your full amount is received by the Service Center by the last day of the month. If not, your coverage will be terminated retroactively to the last day of the prior month for which full payment was received.

Important Coverage Rules

Refer to your Summary Plan Description for a complete description of coverage rules

Dual coverage

Company retirees are prohibited from being enrolled in more than one Company medical/prescription drug or dental Plan benefit option (except as noted below).

- **If you elect coverage during Annual Enrollment, and are also covered as a dependent on another employee's/retiree's coverage**, you will remain covered under your own record, but you will be removed as a dependent from the other employee's/retiree's coverage once the enrollment period ends.
- **If you retired and enrolled as a dependent through a Qwest Pre-1991 retiree's coverage**, you will be allowed to remain enrolled as both a dependent and as a retiree, and you may also cover the Pre-1991 retiree as your dependent.

Note: Pre-1991 retirees must be enrolled in the Company Guaranteed Plan; otherwise, dual coverage does not apply.

Covering previously suspended dependents during Annual Enrollment

To cover previously suspended dependents during Annual Enrollment, **your action is required.**

1. To add previously suspended dependents, follow the prompts during your online enrollment or contact the Service Center. A Dependent Verification packet may be sent to you automatically in December 2020. Follow the instructions outlined in the packet, and **respond by the deadline**.
2. Plan coverage for your previously suspended dependents will become effective Jan. 1, 2021, **with the following exception**. If validation is required and verification forms are not received by the Service Center by the deadline, **your dependents will be removed retroactively from coverage.** You will be required to reimburse the Plan for any claims paid while the previously suspended dependents were ineligible under the Plan.

What happens to your benefits if you return to work directly for the company as an active employee or work for a supplier on assignment to the company after you retire or leave employment? If you are eligible for retiree health care or life insurance from the company, refer to the applicable section below to see how your retiree benefits may be impacted.

Note: If you have VEBA life insurance, that coverage will not be impacted.

If you are rehired in a status that is eligible for active employee benefits, you will be offered the same benefits as other similarly situated employees based on your employee classification. If you have retiree supplemental life insurance coverage, you will be eligible to elect active supplemental life insurance coverage. If there is a loss of supplemental life coverage between what you previously had prior to your rehire date and the amount as an active employee, you may convert the difference with Metropolitan Life Insurance Company. If you continued supplemental life coverage through Metropolitan Life Insurance Company, you will be required to surrender this policy when you return to retiree status in order to resume your retiree supplemental life coverage, if applicable.

If you return to work for a supplier on assignment to the company, you are not eligible to continue your Company retiree health care benefits. This means that while you are working for the supplier, your retiree health care benefits will be suspended. However, you will be offered the opportunity to continue your retiree medical and/or dental options under COBRA. Your retiree basic and supplemental life coverage, if applicable, will continue under the terms of the Life Insurance Plan ("the Plan"). In addition, please be advised that as a worker for a supplier or company contractor, you are not eligible for active employee health care benefits. Retiree health care benefits are reinstated once your work with the supplier/contractor for the company has ended. You will need to call the Service Center to get your benefits reinstated.

Once your employment or assignment ends, you may resume your retiree health care, basic and supplemental life insurance coverage, if applicable, in accordance with the terms of the Plan by calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1. If you returned to work for a supplier on assignment to the Company, will validate that your assignment has ended before you will be allowed to resume your retiree health care coverage. You can request a paper copy by calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 then Option 1.

Legal and Important Required Notices

A note about privacy

Keeping your personal information secure is of primary importance to the Company. That's why we, along with the benefits administrators, have implemented various security measures and policies to help reduce the risk of unauthorized processing or disclosure of your personal information. You can also help by keeping confidential your User ID and password for accessing the Health and Life website. Please keep this information safe and don't share it with anyone. Never use your Social Security number as your password. Together, we can make sure your personal information stays safe and secure. Please be advised that using an email that is not secured may increase your risk of unauthorized disclosure.

Notice of Privacy Practices

You can review and print the complete notice at **lumen.com/healthbenefits**. You may obtain a paper copy upon request by calling the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1.

This Is a Summary of Material Modifications (SMM)

This document is intended to serve as a Summary of Material Modifications (the "SMM") pursuant to the requirements of Section 104 of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). This SMM notifies you of certain changes to the Company sponsored Plans (the "Plan"). Please keep this SMM with your Summary Plan Description for the Plan for future reference. This document summarizes only certain provisions of the Plan. If there is any conflict between the terms of the Plan documents and this SMM, the terms of the Plan documents will govern. The company has reserved to the Plan Administrator the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan.

Coverage is not advice

Health Plan coverage is not health care advice. Please keep in mind that the sole purpose of the Plan is to provide payment for certain eligible health care expenses – not to guide or direct the course of treatment for any employee, inactive retiree or eligible dependent. If your health care provider recommends a course of treatment, be sure to check with the Plan to determine whether or not that course of treatment is covered under the Plan. However, only you and your health care provider can decide what the right health care decision is for you. Decisions by a claims administrator or the Plan Administrator are solely decisions with respect to Plan coverage and do not constitute health care recommendations or advice.

The company's reserved rights

This document summarizes certain provisions of the Disability Plan, the Life Insurance Plan and the Retiree and Inactive Health Plan (collectively referred to as the "Plan"). For specific employee benefit Plan information, refer to the respective official Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the official Plan Documents and this document, the terms of the official Plan Documents will govern. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan, to supply omissions and resolve conflicts. Benefits and contribution obligations, if any, are determined by the Company in its sole discretion or by collective bargaining, if applicable.

Note: While the Plan has processes in place to prevent errors and mistakes, if a clerical error or mistake happens (however occurring) such error or mistake does not create a right to a Benefit or level of contribution rate under the Plan. You have an obligation to correct any errors or omissions that come to your attention by calling the Service Center to correct the error or omission.

Right to Amend and/or discontinue and make rules

The company and its delegate, the Plan Design Committee, each has reserved the right in its sole discretion, to change, modify, discontinue or terminate the Plan and/ or any of the benefits under the Plan and/or contribution levels, with respect to all participants classes, retired or otherwise, and their beneficiaries at any time without prior notice or consultation, subject to applicable law, specific written agreement and the terms of the Plan Document and with respect to the Health Plan, the written agreement specific to CenturyLink Retirees with Executive Medical. The Employee Benefits Committee, as the Plan Administrator, may adopt, at any time, rules and procedures that it determines to be necessary or desirable with respect to the operation of the Plan. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plans or any document relating to the Plans.

Notice of "Exempt" Retiree Medical Plan status

The Retiree and Inactive Health Plan, and all of its

benefit options meet the requirements of a stand-alone exempt retiree medical benefit plan under Section 732 of ERISA and, therefore, is not required to comply with benefit mandates of the Patient Protection and Affordable Care Act (PPACA). However, the Company has decided to voluntarily apply certain provisions of the PPACA to these benefit options. This voluntary application of certain PPACA provisions is separate from and not part of the health care commitment to the Qwest Pre-1991 and Qwest ERO '92 Retiree populations. This means that for all retirees, this voluntary compliance with PPACA may be changed or ended at any time and does not waive the Plan's status as "exempt" from PPACA. If you choose to participate in the new Medicare Advantage PPO or HRA, the policy you elect is an individual policy.

Important note regarding your Annual Enrollment elections

By electing to participate in the Plans (the Disability Plan, the Life Insurance Plan and the Retiree and Inactive Health Plan), by your submission of information, you have agreed to be bound to and by the provisions of each of the Plans and their administrative practices, including, but not limited to with respect to the recovery of over and underpayments, terms and conditions for eligibility and Benefits. **You certify that the submission of information by you in this enrollment process is true and accurate to the best of your knowledge, unless you submit changes as instructed; you agree that you'll submit new information timely as changes occur. You understand that if you are found to have falsified any document in support of a claim for eligibility or reimbursement, the Plan Administrator may, subject to and as may be permitted under the requirements of law, without anyone's consent, terminate your and/or your dependent(s') coverage, and the Claims Administrator may refuse to honor any claim you or your dependent(s) may have made or will make under the Plans if applicable. You understand that you are liable and bear the full financial responsibility for the misappropriation of Plan funds through the filing of false documentation under any of the Plans; you certify that you or your dependent(s) are eligible to enroll in a benefit option, including voluntary or supplemental coverages**. Please refer to the applicable Plan document or SPD available on the Health and Life website or by requesting a copy through the Service Center for details about eligibility for coverage, or call the Claims Administrator – limitations may apply including, but not limited to, being actively at work in order to be eligible for coverage. You understand that it is your responsibility to confirm your eligibility to enroll in a benefit option, including voluntary or supplemental coverages; enrolling in and paying for coverage for which you are ineligible will not entitle you to Benefits; you understand that it is your responsibility to terminate benefit coverage once you or your dependent(s) become ineligible, for example, due to death, divorce, etc.

For specific employee benefit plan information, including terms and conditions for eligibility, limitations and Benefits refer to the respective Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the Plan Documents and this correspondence, the terms of the Plan Documents will govern.

Women's Health and Cancer Rights Act

- This notice is provided to you in compliance with the federal law entitled the Women's Health and Cancer Rights Act of 1998 (the "Act"). The Plan provides medical and surgical benefits in connection with a mastectomy. In accordance with the requirements of the Act, the Plan also provides benefits for certain reconstructive surgery.
- In particular, the Plan will provide, to an eligible participant who is receiving (or who presents a claim to receive) benefits in connection with a mastectomy and who elects breast reconstruction in connection with such mastectomy, coverage for: (1) reconstruction of the breast on which the mastectomy has been performed; (2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and (3) prostheses and treatment of physical complications associated with all the stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.
- As with other benefit coverages under the Plan, this coverage is subject to each medical benefit option's annual deductible (if any), required coinsurance payments, benefit maximums, and copay provisions that may apply under each of the benefit options available under the Plan.
- You should carefully review the provisions of the Plan, the medical benefit option in which you elect to participate, and its SPD and SMM available on the Health and Life website or by requesting a copy through the Service Center regarding any applicable restrictions. Contact the Claims Administrator of your medical benefit option for more information.

Health Insurance Portability and Accountability Act (HIPAA)

Under the Special Enrollment rules under HIPAA, you may enroll yourself and eligible dependents in the Health Plan upon the loss of other coverage, referred to as the "other plan," to include the following:

- Termination of employer contribution toward other coverage;
- Moving out of a service area if the other plan does

not offer other coverage;
- Ceasing to be a dependent, as defined in the other plan;
- Loss of coverage to a class of similarly situated individuals under the other plan (for example, when the other plan does not cover temporary/ contractors).

If your spouse/domestic partner or other dependents have special enrollment rights, you may enroll and make changes to your enrollment in any health plan benefit option available to you based upon your home ZIP code and plan service areas within 45 days following the qualifying event. For example, if you have Employee Only coverage in a Company benefit option, and your spouse/ domestic partner loses coverage under his/ her employer's plan and has special enrollment rights, both you and your spouse/domestic partner may enroll in any of the Company benefit options available to you, provided you verify your spouse's/domestic partner's eligibility for the Plan.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

Note: This is an updated notice.

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS-NOW** or insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.** If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call **1-866-444-EBSA(3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility.

If You Voluntarily Elect to Drop Coverage

If you voluntarily drop coverage for yourself or a dependent during Annual Enrollment, without there being a Qualified Life Event (QLE), you and/or your dependent will not be eligible for continuation of health care coverage under the federal law known as COBRA. Eligibility for COBRA continuation coverage occurs only in cases of QLEs. For more information on what is a QLE, refer to the Summary Plan Description.

Continuation of Coverage

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, COBRA qualified beneficiaries (QBs) generally are eligible for group coverage during a maximum of 18 months for qualifying events such as marriage, divorce, etc. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

Upon termination, or other COBRA qualifying event, the former participant and any other QBs will receive COBRA enrollment information.

Qualifying events for spouses/domestic partners or dependent children include those events above, plus, the covered employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, death of the covered employee, and the loss of dependent status under the plan rules. If a QB chooses to continue group benefits under COBRA, they must timely enroll and make their premium payment by the due date before eligibility is sent to the Plan Administrators. Then, coverage will be reinstated. Thereafter, premiums are due on the first of the month. If premium payments are not received in a timely manner, federal law stipulates that your coverage will be canceled after a 30-day grace period. If you have any questions about COBRA or the Plan, please contact the Service Center at **866-935-5011** or **800-729-7526**, Option 2 and then Option 1.

Other coverage options

There may be other, more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period," even if the plan generally doesn't accept late enrollees. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA doesn't limit your eligibility for coverage for a tax credit through the Marketplace.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage, you may pay more out of pocket than you would under COBRA, because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.

More information on health insurance options through the Marketplace can be found at healthcare.gov.
