Welcome to Annual Enrollment

Find Your Fit

Annual Enrollment is your opportunity to find the plans that are right for you and your eligible dependent(s). Please review this guide in its entirety.

If you are not making any changes or updates to your coverage, no action is required other than updating your communication preference and/or contact information at the Service Center. You may also be required to update your billing and payment information, if applicable.

This guide pertains to BOTH non-Medicare eligible and Medicare eligible participants and their dependents. If you make changes during Annual Enrollment, your new coverage will begin on the first day of the new calendar year. (However, if enrolling in the UnitedHealthcare (UHC) Group Medicare Advantage PPO Plan, enrollment and approval by UHC must occur prior to the month coverage is to be effective.) For example, if approved by UHC in Dec., coverage under the UHC Group Medicare Advantage PPO Plan would become effective in Jan.

COBRA Participants

As a COBRA participant, coverage is limited to medical and/or, dental coverage, as applicable. COBRA rates have changed. Not all provisions of this guide apply to COBRA participants, please refer to your Enrollment Worksheet (EWS) that you received with this guide.

Note:

- Some references and benefit options in this document apply only to Pre-1991 Retirees. For more information, refer to the Health and Life website at lumen.com/bshealthbenefits (during Annual Enrollment) or lumen.com/healthbenefits (effective Jan. 1, 2022) or contact the Lumen Health and Life Service Center at Businessolver.
- Refer to the Helpful Resources page in this guide or your Summary Plan Description (SPD) for further details.
- The SPDs are available on the Health and Life website or by requesting a copy through the Service Center. Please allow time for mailing.

Dependent Verification

If you are adding a new dependent to any of your coverage during Annual Enrollment or as a result of a Qualified Life Event (QLE), your dependent(s) will not be added to coverage until you have provided documentation that confirms their eligibility under the Plan. The Service Center will email or mail (depending on how you set up your communication preference) information to you with additional details on how to complete the dependent verification process. Upon approval, Plan coverage for your newly eligible dependents will become effective Jan. 1, 2022, or the applicable QLE effective date.

Enrollment Reminders

Qualified Life Event (QLE)

If you experience a QLE in 2022 such as marriage, death, divorce, adoption or birth, or losing other coverage, you can go to the health and life website at lumen.com/healthbenefits or contact the Service Center at **833-925-0487** within 45 days of the event in order to change your coverage elections. Be sure to gather your dependent(s) Social Security numbers and birthdates before you start the enrollment process so you are prepared to enter them into the system or provide them to the representative. You will be required to go through the Dependent Verification process if you add a new dependent who does not currently have Company coverage. If you experience a QLE prior to Jan. 1, 2021, you will need to also contact the Lumen Health and Life Service Center at Alight at **866-935-5011**.

Dependent Social Security numbers required

The Medicare Secondary Payer provisions of the Social Security Act requires all employers provide eligibility data to the Centers for Medicare & Medicaid Services (CMS). This means the Plan must provide CMS with Social Security numbers of all covered retirees and dependents. If you have covered dependents whose Social Security numbers are not on file at the Service Center, please contact the Service Center to provide this information as soon as possible.

Medicare-eligible and/or non-Medicare-eligible

If you and your dependent(s) are Medicare eligible, you must enroll in the same benefit plan option. If you were enrolled in the UnitedHealth Group Medicare Advantage PPO Plan in 2021 and you are not changing benefit plan options, you will not be required to re-enroll. Therefore, no action is required and you can keep your Enrollment Worksheet (included with this Guide) as your confirmation statement for 2022. If you are enrolling in an individual policy outside of the Company for the HRA benefit option, you must complete that carrier's enrollment form and follow their process.

If you or one or more of your dependent(s) are not Medicare eligible, you can make separate elections for Medicare and non-Medicare eligible participants. The non-Medicare participant may remain in the Company plan option or Waived Coverage (No Coverage) option, while the Medicare eligible participant may select from one of the three Medical plan options.

Note: If the non-Medicare eligible participant becomes Medicare eligible during the plan year, that participant must enroll (and complete forms, if applicable) in the same benefit plan option in which the Medicare-eligible participant is already enrolled.

Medicare Part-B

If you are receiving Medicare Part B reimbursement, the same amount you received in 2021 will carry over to 2022. If your Medicare Part B premium has changed for 2022, you will need to notify the Service Center by providing a copy of the letter from the Social Security Administration with your updated amount, postmarked by March 31, 2022, for the updated reimbursement to be retroactive to Jan. 1, 2022. If your letter is postmarked after March 31, 2022, the updated reimbursement amount will begin the first of the following month after the postmarked date. Notifications can be mailed or faxed to:

Service Center
Businessolver.com, Inc.
P.O. Box 850552
Minneapolis, MN 55485-0552
Fax: 515-273-1545

IRMAA

If you are enrolled in the UHC Group Medicare Advantage PPO Plan and are receiving reimbursement for the Income-Related Monthly Adjustment Amount (IRMAA) related to Medicare Part D, the same amount you received in 2021 will carry over to 2022.

The IRMAA is an amount you are required to pay in addition to your monthly premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit.

If your Medicare Part D premium has changed or you are a new participant in this Plan, you will need to notify the Service Center by providing a copy of the letter from the Social Security Administration with your amount by March 31, 2022, for the reimbursement to be retroactive to Jan. 1, 2022. If your letter is postmarked after March 31, 2022, the reimbursement amount will begin the first of the following month after the postmarked date. Notifications can be mailed or faxed to:

Service Center

More to Know About Medicare

If you and/or your dependent(s) are eligible for Medicare, please review the following information carefully.

Medicare Part A – Hospital Insurance

- This covers in-patient care in a hospital, skilled nursing facility care, nursing home care (inpatient care in a skilled nursing facility that's not custodial or long-term care), certain home health services and hospice care.
- Generally, it is available at no cost to eligible participants and is paid for by a portion of Social Security taxes. You are automatically enrolled when you and or your dependent(s) turn age 65.

Medicare Part B – Medical Insurance

Part B covers two types of services: Services or supplies that are needed to diagnose or treat your medical condition and that meet accepted standards of medical practice. Part B also covers preventive services to prevent illness or detect it at an early stage when treatment is most likely to work best.

Part B covers things like:

- Clinical research, ambulance services, durable medical equipment, Mental health (inpatient, outpatient, and partial hospitalization) and limited outpatient prescription drugs.
- There is a cost for Medicare Part B since the health plan requires coordination with Medicare Part B. If you do not enroll in Medicare Part B, your benefits, if any, will be reduced, and you will be responsible for paying your healthcare expenses.

A delay in enrollment in Medicare Part B could also result in ongoing penalties for the cost of Medicare Part B. As a Pre-1991 Retiree, the Retiree and Inactive Health Plan will reimburse the premium you pay for this coverage for you and your dependents, excluding Class II dependents.

Medicare Part D – Prescription Drug Coverage

This covers the cost of certain prescription drugs. Details are available in the Notice of Creditable Coverage the Company provides each year. You can refer to the Medical and Prescription Drug overview in this guide for more information.

Important Note:

- If you enroll in the **Guaranteed Coverage benefit option or UnitedHealthcare Group Medicare Advantage PPO Plan**, you do not need to enroll in a separate Medicare Part D plan because prescription drug coverage is included in these benefit options, as defined by the Plan.
- If you elect the **HRA benefit option**, you may need to enroll in a Medicare Part D plan, depending on which type of individual medical policy you elect on your own.

For more information about Medicare benefits, review the Medicare & You handbook at [medicare.gov](https://www.medicare.gov) or call **800-MEDICARE (800-633-4227)** and ask to have a copy mailed to you.

Medical Options for Medicare Eligible Participants

Enrollment in Medicare Parts A and B are required. If you and your dependents are Medicare eligible, you must enroll in the same benefit plan option.

The Medical Plan (Guaranteed Coverage Commitment Plan)

- The Medical Plan pays a substantial share of the costs of the Hospital, surgical and medical care you and your family receive each year.

Health Reimbursement Account (HRA) Plan Option Combined with an Individual Medicare Policy

- If you elect to participate in this benefit option, you are waiving coverage under the Guaranteed Coverage Commitment Plan and the UHC Medicare Advantage PPO benefit options.
- The HRA provides you with Company-subsidized dollars to help you purchase the individual Medicare policies that the Company does not offer.
- The HRA account is credited annually, on Jan. 1 of each year by the Company in the amount of **\$3,800**. Unused dollars are forfeited at the end of each year.
- The HRA is part of the Company group retiree plan, but the individual Medicare policy you choose is not.
- You purchase the individual Medicare and prescription drug policy directly from the insurance carrier(s) (“carrier”) of your choice, pay the insurance premium directly to them, and then receive reimbursement for the premium from your HRA.
- In order for your individual Medicare medical policy to be effective Jan. 1, you must enroll with Medicare between Oct. 15 and Dec. 7. For assistance, you can call Via Benefits at **888-825-4252**. Please do not contact the Service Center to enroll in an individual Medicare policy as they will be unable to assist you.

Note: If you and your Medicare eligible dependent(s) select the HRA plan option and you later want to change options or return to the coverage you had under The Medical Plan (Guaranteed Coverage Commitment Plan), you will be required to wait until the next Annual Enrollment period due to Centers for Medicare or Medicaid Services (CMS) rules.

UnitedHealthcare Group Medicare Advantage Preferred Provider Option (MA PPO)

- You can see any provider (in or out-of-network) that participates in Medicare and accepts the plan, at the same cost.
- 100% coverage for preventive services.
- Care and disease management programs (e.g., diabetes, heart failure, and more)
- UnitedHealthcare House Calls are designed to complement your doctor’s care. A licensed and knowledgeable health care practitioner will review your health history and current medications, perform a health screening, identify risks and provide health education in the comfort of your home.
- NurseLine – Registered nurses answer your call 24 hours a day, seven days a week.
- Renew Active (Previously Silver Sneakers) – Free gym memberships, brain games, cooking classes, etc.

To enroll in this plan, please provide your Medicare Beneficiary Identification (MBI) number to the Service Center. This can be found on your red, white, and blue Medicare ID card. Contact UnitedHealthcare for additional information regarding these benefits, services, and offerings at **877-866-7313**.

Note: If you and your dependent(s) are enrolling in this Plan and one or both applications are denied by Medicare, you will both return to the coverage you had under the Company Medical Plan, The Medical Plan (Guaranteed Coverage Commitment Plan).

Medical Overview

Refer to your **Annual Enrollment Worksheet** to determine which plan you are eligible for under the Guaranteed Coverage Plans, **(Plans 1-4, as applicable)**.

Dental Overview

Dental Plan Benefit Option

The Plan benefit options available to you is indicated on your **Enrollment Worksheet (EWS)** that you received with this guide.

It pays to use network Dentists

You may receive services from any provider under your Plan benefit option, but your out-of-pocket costs may be less if you receive care from MetLife network providers (in the Preferred Dentist Program).

If you receive services from a non-network provider, your out-of-pocket costs may be more and you may need to complete and submit claim forms for reimbursement.

Here's a Brief Look at How The Dental Plan Benefit Option Pays Benefits

Preventive and Diagnostic Care Services (cleanings, oral exams, x-rays)

The Plan pays 100% up to reasonable and customary (R&C) rates, but no more than what the dentist charges. If costs exceed R&C rates, you will be responsible for paying the excess charges.

All Other Services

You pay according to a schedule of allowances. Review the schedule of allowances in the applicable Summary Plan Description (SPD) available on the Health and Life website or by requesting a copy from the Service Center to determine the out-of-pocket expenses you must pay. Call MetLife for details about covered services.

For questions or benefit information, visit the MetLife website at [metlife.com/mybenefits](https://www.metlife.com/mybenefits) or call **866-832-5756**.

To enroll, you will need to log on to the Health and Life website or contact the Service Center. If you are already enrolled and would like to continue your coverage into the new year, no action is required and you can keep your Enrollment Worksheet as your confirmation statement for 2022.

Retiree Life Insurance

Retiree Basic Life Insurance (automatic and Company-paid).

For eligible retirees, the Company provides Retiree Basic Life Insurance coverage that pays a \$10,000 benefit to your designated beneficiary(ies) upon your death.

Retiree Supplemental Life Insurance (if applicable, you pay the cost).

Note: Coverage ends on the last day of the month in which you turn age 65, but you can apply to convert your coverage to an individual policy. Contact MetLife for details if this applies to you.

If your coverage is terminated due to non-payment or insufficient payment, you will not be allowed to re-enroll. You have the right to appeal the determination and can contact the Service Center if you wish to discuss the appeals process.

REMEMBER: To report a death, contact the Service Center at 800-729-7526, Option number 3. It is very important to contact the Service Center as soon as possible as this can impact benefits under the Retiree and Inactive Health Plan, the Life Insurance Plan and/or the Combined Pension Plan.

Important notes if you have Retiree Supplemental Life Insurance

You may cancel or decrease coverage at any time going to the health and life website at lumen.com/healthbenefits or contact the Service Center at **833-925-0487**. The coverage change will be effective the first of the month following your request. You may not re-enroll or increase coverage during your retirement.

You may convert your Retiree Supplemental Life coverage once you turn age 65, according to the laws of the state of Washington where the policy is issued. Conversion is not automatic, and you must apply for converted life insurance coverage through MetLife. You can reach MetLife at **877-275-6387** to request a conversion application if you experience a qualified loss in coverage. **MetLife must receive your completed application and premium for conversion within 31 days from the date your retiree supplemental life insurance coverage terminates.** Applications received by MetLife after the 31-day period will be denied.

Paying for your coverage

We make it easy to pay for your supplemental life insurance benefits

Your 2021 benefit election will continue in 2022 unless you make a change, reach age 65, or pass away. Refer to the **Billing and Payments** in the **What's New for 2022** section of this guide. Premiums are due on the first day of each

month for the current month's benefit coverage. You can contact the Service Center for payment options such as:

- check or money order,
- deductions from your pension check, or
- direct debit (automatic monthly withdrawal from your checking or saving account).

Be sure to make timely payments!

If your premium payments are not received by the Service Center in a timely manner, your payment may still be processed due to the delay in processing your records internally. In this case, a refund will be processed for the untimely payment after 21 business days and your coverage will not be reinstated. You have the right to appeal and can contact the Service Center if you wish to discuss the appeals process. Please note checks that are returned or direct debit requests that are refused due to insufficient funds are not re-deposited.

Regardless of how you pay your premiums, be sure that your full amount is received by the Service Center by the last day of the month. If not, your coverage will be terminated retroactively to the last day of the prior month for which full payment was received.

Important Coverage Rules

Adding dependents during enrollment

To cover newly eligible dependents during Annual Enrollment, **action is required**.

1. Add your newly eligible dependents during your online enrollment by following the directions or contact the Service Center.
2. Coverage for your dependents will become effective Jan. 1, 2022, providing supporting documentation to verify eligibility for your dependent is received timely. You can upload your supporting documentation after you complete your enrollment..

Ending coverage for dependents during annual enrollment

You may remove dependents from your Plan coverage during your online enrollment or by contacting the Service Center.

During the year, if dependents no longer meet eligibility requirements for coverage, you are required to contact the Service Center **within 45 days** to terminate their coverage. You must notify the Service Center and coverage will end for the affected individuals retroactively to the end of the month that your dependent was no longer eligible for coverage. You will be responsible for any claims paid while the dependents were ineligible under the Plan.

If you have a qualified life event and need to make changes before 2022

If you make changes during Annual Enrollment and have a subsequent change to your coverage before the end of December 2021, because of a QLE (for example, you add a spouse to your coverage), your 2021 changes/enrollment will not automatically be applied to 2022. **As a result, you will need to update BOTH your 2021 and 2022 coverage by contacting the Service Center at Alight and Businessolver. Refer to the What's Changing section of the guide for more information.**

What happens to your benefits if you return to work directly for the Company as an active employee or work for a supplier on assignment to the Company after you retire or leave employment?

If you are eligible for retiree health care or life insurance from the Company, refer to the applicable section below to see how your retiree benefits may be impacted.

If you are rehired at Lumen in a status that is eligible for active employee benefits, you will be offered the same benefits as other similarly situated employees based on your employee classification. If you have retiree supplemental life insurance coverage, you will be eligible to elect active supplemental life insurance coverage. If there is a loss of supplemental life coverage between what you previously had prior to your rehire date and the amount as an active employee, you may convert the difference with Metropolitan Life Insurance Company. If you continued supplemental life coverage through Metropolitan Life Insurance Company, you will be required to surrender this policy when you return to retiree status in order to resume your retiree supplemental life coverage, if applicable.

If you return to work for a supplier on assignment to the Company, you are not eligible to continue your Company retiree health care benefits. This means that while you are working for the supplier, your retiree health care benefits will be suspended. However, you will be offered the opportunity to continue your retiree medical and/or dental options under COBRA. Your retiree basic and supplemental life coverage, if applicable, will continue under the terms of the Life Insurance Plan ("the Plan"). In addition, please be advised that as a worker for a supplier or Company contractor, you are not eligible for active employee health care benefits. Retiree health care benefits are reinstated.

Once your employment or assignment ends, you may resume your retiree health care, basic and supplemental life insurance coverage, if applicable, in accordance with the terms of the Plan by calling the Service Center at **833-925-0487** (The local DNIS for international callers is **317-671-8494**). If you returned to work for a supplier on assignment to the Company will validate that your assignment has ended before

you will be allowed to resume your retiree health care coverage. **Note:** If you are Medicare eligible and have enrolled in an individual Medicare policy, you may need to complete a disenrollment process to be released by that carrier from the individual plan (which can take up to 60 days).

Legal and Important Required Notices

A note about privacy

Keeping your personal information secure is of primary importance to the Company. That's why we, along with the benefits administrators, have implemented various security measures and policies to help reduce the risk of unauthorized processing or disclosure of your personal information. You can also help by keeping confidential your User ID and password for accessing the Health and Life website. Please keep this information safe and don't share it with anyone. Never use your Social Security number as your password. Together, we can make sure your personal information stays safe and secure. Please be advised that using an email that is not secured may increase your risk of unauthorized disclosure.

Notice of Privacy Practices

You can review and print the complete notice at lumen.com/healthbenefits. You may obtain a paper copy upon request by calling the Service Center at **833-925-0487** (The local DNIS for international callers is **317-671-8494**).

This Is a Summary of Material Modifications (SMM)

This document is intended to serve as a Summary of Material Modifications (the "SMM") pursuant to the requirements of Section 104 of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). This SMM notifies you of certain changes to the Company sponsored Plans (the "Plan"). Please keep this SMM with your Summary Plan Description for the Plan for future reference. This document summarizes only certain provisions of the Plan. If there is any conflict between the terms of the Plan documents and this SMM, the terms of the Plan documents will govern. The Company has reserved to the Plan Administrator the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan.

Coverage is not advice

Health Plan coverage is not health care advice. Please keep in mind that the sole purpose of the Plan is to provide payment for certain eligible health care expenses – not to guide or direct the course of treatment for any employee, inactive retiree or eligible dependent. If your health care provider recommends a course of treatment, be sure to check with the Plan to determine whether or not that course of treatment is covered under the Plan. However, only you and your health care provider can decide what the right health care decision is for you. Decisions by a claims

administrator or the Plan Administrator are solely decisions with respect to Plan coverage and do not constitute health care recommendations or advice.

The Company's reserved rights

This document summarizes certain provisions of the Disability Plan, the Life Insurance Plan and the Retiree and Inactive Health Plan (collectively referred to as the "Plan"). For specific employee benefit Plan information, refer to the respective official Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the official Plan Documents and this document, the terms of the official Plan Documents will govern. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the Plan or any document relating to the Plan, to supply omissions and resolve conflicts. Benefits and contribution obligations, if any, are determined by the Company in its sole discretion or by collective bargaining, if applicable.

Note: While the Plan has processes in place to prevent errors and mistakes, if a clerical error or mistake happens (however occurring) such error or mistake does not create a right to a Benefit or level of contribution rate under the Plan. You have an obligation to correct any errors or omissions that come to your attention by calling the Service Center to correct the error or omission.

Right to Amend and/or discontinue and make rules

The Company and its delegate, the Plan Design Committee, each has reserved the right in its sole discretion, to change, modify, discontinue or terminate the Plan and/ or any of the benefits under the Plan and/ or contribution levels, with respect to all participants classes, retired or otherwise, and their beneficiaries at any time without prior notice or consultation, subject to applicable law, specific written agreement and the terms of the Plan Document and with respect to the Health Plan, the written agreement specific to Pre-1991 Retirees. The Employee Benefits Committee, as the Plan Administrator, may adopt, at any time, rules and procedures that it determines to be necessary or desirable with respect to the operation of the Plan. The Plan Administrator has the authority, discretion and the right to interpret and resolve any ambiguities in the

Plans or any document relating to the Plans.

Notice of “Exempt” Retiree Medical Plan status

The Retiree and Inactive Health Plan, and all of its benefit options meet the requirements of a stand-alone exempt retiree medical benefit plan under Section 732 of ERISA and, therefore, is not required to comply with benefit mandates of the Patient Protection and Affordable Care Act (PPACA). However, the Company has decided to voluntarily apply certain provisions of the PPACA to these benefit options. This voluntary application of certain PPACA provisions is separate from and not part of the health care commitment to the Qwest Pre-1991 and Qwest ERO '92 Retiree populations. This means that for all retirees, this voluntary compliance with PPACA may be changed or ended at any time and does not waive the Plan's status as “exempt” from PPACA. If you choose to participate in the Medicare Advantage PPO or HRA, the policy you elect is an individual policy.

Important note regarding your Annual Enrollment elections

By electing to participate in the Plans (the Disability Plan, the Life Insurance Plan and the Retiree and Inactive Health Plan), by your submission of information, you have agreed to be bound to and by the provisions of each of the Plans and their administrative practices, including, but not limited to with respect to the recovery of over and underpayments, terms and conditions for eligibility and Benefits. You certify that the submission of information by you in this enrollment process is true and accurate to the best of your knowledge, unless you submit changes as instructed; you agree that you'll submit new information timely as changes occur. You understand that if you are found to have falsified any document in support of a claim for eligibility or reimbursement, the Plan Administrator may, subject to and as may be permitted under the requirements of law, without anyone's consent, terminate your and/or your dependent(s)' coverage, and the Claims Administrator may refuse to honor any claim you or your dependent(s) may have made or will make under the Plans if applicable. You understand that you are liable and bear the full financial responsibility for the misappropriation of Plan funds through the filing of false documentation under any of the Plans; you certify that you or your dependent(s) are eligible to enroll in a benefit option, including voluntary or supplemental coverages. Please refer to the applicable Plan document or SPD available on the Health and Life website or by requesting a copy through the Service Center for details about eligibility for coverage, or call the Claims Administrator – limitations may apply including, but not limited to, being actively at work in order to be eligible for coverage. You understand that it is your responsibility to confirm your eligibility

to enroll in a benefit option, including voluntary or supplemental coverages; enrolling in and paying for coverage for which you are ineligible will not entitle you to Benefits; you understand that it is your responsibility to terminate benefit coverage once you or your dependent(s) become ineligible, for example, due to death, divorce, etc.

For specific employee benefit plan information, including terms and conditions for eligibility, limitations and Benefits refer to the respective Plan Documents, including the applicable Summary Plan Description and Summaries of Material Modifications, if any. If there is any conflict between the terms of the Plan Documents and this correspondence, the terms of the Plan Documents will govern.

Women's Health and Cancer Rights Act

- This notice is provided to you in compliance with the federal law entitled the Women's Health and Cancer Rights Act of 1998 (the “Act”). The Plan provides medical and surgical benefits in connection with a mastectomy. In accordance with the requirements of the Act, the Plan also provides benefits for certain reconstructive surgery.
- In particular, the Plan will provide, to an eligible participant who is receiving (or who presents a claim to receive) benefits in connection with a mastectomy and who elects breast reconstruction in connection with such mastectomy, coverage for: (1) reconstruction of the breast on which the mastectomy has been performed; (2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and (3) prostheses and treatment of physical complications associated with all the stages of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.
- As with other benefit coverages under the Plan, this coverage is subject to each medical benefit option's annual deductible (if any), required coinsurance payments, benefit maximums, and copay provisions that may apply under each of the benefit options available under the Plan.
- You should carefully review the provisions of the Plan, the medical benefit option in which you elect to participate, and its SPD and SMM available on the Health and Life website or by requesting a copy through the Service Center regarding any applicable restrictions. Contact the Claims Administrator of your medical benefit option for more information.

Health Insurance Portability and Accountability Act (HIPAA)

Under the Special Enrollment rules under HIPAA, you may enroll yourself and eligible dependents in the

Health Plan upon the loss of other coverage, referred to as the “other plan,” to include the following:

- Termination of employer contribution toward other coverage;
- Moving out of a service area if the other plan does not offer other coverage;
- Ceasing to be a dependent, as defined in the other plan;
- Loss of coverage to a class of similarly situated individuals under the other plan (for example, when the other plan does not cover temporary/contractors).

If your spouse/domestic partner or other dependents have special enrollment rights, you may enroll and make changes to your enrollment in any health plan benefit option available to you based upon your home ZIP code and plan service areas within 45 days following the qualifying event. For example, if you have Employee Only coverage in a Company benefit option, and your spouse/ domestic partner loses coverage under his/ her employer’s plan and has special enrollment rights, both you and your spouse/domestic partner may enroll in any of the Company benefit options available to you, provided you verify your spouse’s/domestic partner’s eligibility for the Plan.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

Note: This is an updated notice.

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [healthcare.gov](https://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS-NOW** or insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow

you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at askebsa.dol.gov or call **1-866-444-EBSA(3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility.

If You Voluntarily Elect to Drop Coverage

If you voluntarily drop coverage for yourself or a dependent during Annual Enrollment, without there being a Qualified Life Event (QLE), you and/or your dependent will not be eligible for continuation of health care coverage under the federal law known as COBRA. Eligibility for COBRA continuation coverage occurs only in cases of QLEs. For more information on what is a QLE, refer to the Summary Plan Description.

Continuation of Coverage

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, COBRA qualified beneficiaries (QBs) generally are eligible for group coverage during a maximum of 18 months for qualifying events such as marriage, divorce, etc. Certain

qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

Upon termination, or other COBRA qualifying event, the former participant and any other QBs will receive COBRA enrollment information.

Qualifying events for spouses/domestic partners or dependent children include those events above, plus, the covered employee's becoming entitled to Medicare, divorce or legal separation of the covered employee, death of the covered employee, and the loss of dependent status under the plan rules. If a QB chooses to continue group benefits under COBRA, they must timely enroll and make their premium payment by the due date before eligibility is sent to the Plan Administrators. Then, coverage will be reinstated. Thereafter, premiums are due on the first of the month. If premium payments are not received in a timely manner, federal law stipulates that your coverage will be canceled after a 30-day grace period. If you have any questions about COBRA or the Plan, please contact the Service Center at **833-925-0487** (The local DNIS for international callers is **317-671-8494**).

Other coverage options

There may be other, more affordable coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period," even if the plan generally doesn't accept late enrollees. In the Marketplace, you could be eligible for a new kind of tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA doesn't limit your eligibility for coverage for a tax credit through the Marketplace.

You should compare your other coverage options with COBRA continuation coverage and choose the coverage that is best for you. For example, if you move to other coverage, you may pay more out of pocket than you would under COBRA, because the new coverage may impose a new deductible.

When you lose job-based health coverage, it's important that you choose carefully between COBRA continuation coverage and other coverage options, because once you've made your choice, it can be difficult or impossible to switch to another coverage option.

More information on health insurance options through the Marketplace can be found at [healthcare.gov](https://www.healthcare.gov).
